

IMA KERALA DISASTER MANAGEMENT CELL

IMA Kerala disaster management cell is one of the important committees of IMA KSB. As the name indicates IMA can do many committed social activities through this committee. IMA can extent its help in natural calamities like heavy monsoons, and flood, landscaping, earth quake, cyclones, Train calamities, massive road traffic accidents, Calamities happening during traveling in boats, fire disaster and any massive community problems that effects social life of people.

IMA Kerala State with nearly 21,000 members is a professional organization with cadre ship qualities. It has got State level, Dist. level and branch level infra structure with a very effective communication mechanism through out the 101 branches of IMA Kerala state. IMA can reach every nook and corner of Kerala. And it can take up any emergency situation in a very short time with socially committed members.
